

It is as easy as 1, 2,3!

Scroll down to the search bars and type what you are looking for, ie. "father" "mother" etc.

A series of related cards appear. Any card with what looks like a picture on it, you can insert a picture off your phone or computer. (On the bottom left is an upload button).

Ignore the cost; it will be free; promise!

Click "Customize"

Then click "next" (this will create a "2 panel card.")

Click on the little camera in the center of the photo.

At the bottom left, click **"upload an image"** (on the inside of the card you can do the same.)

Once your picture is inserted, click the right arrow next to the picture

The inside top you can either add another picture, (click the right icon for layouts), you can write something, (click the left icon), or leave it blank.

On the bottom, click the **pencil**. You can change the font color, the background color, the font size and the font itself. You can left justify, right justify, or center.

Write a warm, heartfelt message.

Once you write your note, click the **"Next"** button on the bottom right.

Fill in the return address information and click save address.

Click **"Add Recipient"** on the bottom right.

On the top left, click **Add New Address**

Fill in your recipient's information

You can also add their birthday and/or anniversary information.

At the bottom right, click **Done**.

You will notice the price has been marked through.

Click **"Save"** under Referral Partner (That's Me).

Insert your email address and create a password for yourself

Click **"Send"**

Your Card Is On Its Way

It will be printed overnight and mailed out tomorrow morning.

Congratulations!
